# TEKNIK ELEKTRO

## GREEN INTELLIGENT AUTOMATION

Gelar Akademik: **S.T.** (Sarjana Teknik)

Jumlah Kredit:  
**144 SKS**

Masa Studi:  
**4 tahun**

### PEMINATAN

- › *Control System and Robotics*
- › *Computer and Mobile Based Application*
- › *Telecommunication Engineering*
- › *Intelligent System*

### TERAKREDITASI A

### FASILITAS

- › Laboratorium Robotika dan Mekatronika
- › Laboratorium Fisika dan Instrumenasi
- › Laboratorium Kontrol
- › Laboratorium Komputer
- › Laboratorium Pengolahan Sinyal
- › Laboratorium Elektronika
- › Laboratorium Telekomunikasi
- › PLC Training Center

### PILIHAN KARIER

- › *Electronic Engineering Consultant*
- › *Electronic Engineering Researcher*
- › *Telecommunication Engineer*
- › *Control and Robotic Implementation Consultant*
- › *Embedded System Engineer*

### PRESTASI

- › Juara **II**, Programmable Logic Controller (PLC) Competition 2019
- › Juara **I**, Programmable Logic Controller (PLC) Competition 2018
- › Juara **II**, "The Fourth Mechatronics Day in a competition with the theme of LOGISTIC ROBOT", 2018
- › Juara **II**, Web Design Competition 2018 tingkat Nasional
